Policies and Restrictions on Viewing or Copying Personal Medical Records

- Under federal law, we may only provide a “Designated Record Set” of your Personal Medical Records. This Designated Record Set only includes medical and billing records we physically store and maintain on our premises, and only includes those portions of medical records that “are used to make decisions about patients.”
- We are NOT able to provide you with:
 - Items not maintained in legal health records
 - Education records exempt from HIPAA
 - Psychotherapy Notes
 - Data exempted by the Clinical Lab Improvements Act
 - Data involved in criminal, civil, or administrative actions
 - Records put together in anticipation of legislation
- We may legally deny your request for access to your medical records, without opportunity for appeal, in the following circumstances:
 - You are an inmate in a correctional institution, and access would endanger your health and safety or the health and safety of anyone else in the facility.
 - Your records were generated in the course of ongoing research, and disclosure would jeopardize the research. (You must have agreed, in writing, to such a restriction previously. And if so, your right of access will be restored at the conclusion of the research)
 - Your records are subject to federal Privacy Act protections (Under 5 USC 552a)
 - The information was obtained from someone under a promise of confidentiality, and the access requested would be reasonably likely to reveal the source.
- We may legally deny your request for access to your medical records, but *with* an opportunity for appeal, if such access is reasonably likely to endanger

the life or physical safety, or cause substantial harm to, you or another person.

- Our Policy is to respond to and fulfill your request within 10 days.
- If you are simply viewing your Designated Record Set, we reserve certain days and times for such viewing. Our regular days and times are: **Monday-Friday 9:00a.m. to 3:30pm.**
- If you are requesting copies of your Designated Record Set, fees will be charged for the copies. Our fees are:
 - o *Initial fee of \$20.00 per request up to 20 pages.*
